MCGM School Initiative:

Aishabai & Haji Abdul Latif Charitable Trust has been working in the field of education for several years. One of our largest initiative is work in Municipal schools of Mumbai. At present we have adopted 13 schools and support the education of 10,025 children in many ways. Our major responsibility under the adoption scheme is to provide services to children such as Uniforms, Note Books, Books etc; provide infrastructure support to schools such as Black Boards, Water, Toilets, Repair, reconstruction and maintenance of the school, whenever Municipal Corporation is not able to provide adequate resources the Trust has been providing Teachers in all these schools as there is large shortfall of trained people and the Government does not have adequate teachers. Trust teachers and the coordinators have been providing extra coaching and the necessary guidance and counseling to the students attending these schools. Owing to this collaborative effect with BMC, we see visible changes in the area of decrease in drop out rates, increased motivation to pursue the higher studies, better results at matriculation exams and increase in confidence.
